

Chairman Powell:

On June 2nd you will make an extremely important decision. You know what that decision is and you understand the ramifications behind your choice. You will be marking your place in history. Will you be known as a man of integrity with a just and powerful will, or simply as another Bush Administration plant succumbing to the lust for all-pervading power and material goods. Corporate America -- Corporate Earth is run by white men, primarily bigoted white men. Surely you are aware of this Chairman Powell. How do you choose to be remembered.

The rumor is that you lean to a vote to change the current FCC rules preventing greater media consolidation. I urge you to change your mind. Please, if you are a man of conscience you must oppose this gross move that can result in extreme control over the information broadcast through our jointly-owned air waves.

I want rules in place that serve the public, rather than private, interest. I oppose taking a vote that leads to more media consolidation. On June 2nd, I urge you to retain the current ownership rules.

With utmost sincerity,

Jerry Y. Zimmer
